

AS CLOSE TO MAGIC

KEITH KOCHER

Keith Kocher brings his own unique blend of artistry, style and humor to the world of magic. Using these special talents, he mesmerizes and entertains large corporations and small businesses alike – at conventions, trade shows, business gatherings; in hospitality suites and restaurants.

Originally from Seattle, Washington, this Michigan-based magician performs table magic, strolling magic, and a fast-paced 40-minute stage show – always tailoring his performance to the specific audience at hand.

Keith has performed professionally for over 14 years, and earns top marks from his fellow magicians –

he was recently voted Magician of the Year by the Magician's Guild of Lansing. Keith Kocher: he's as close to magic as you can get!

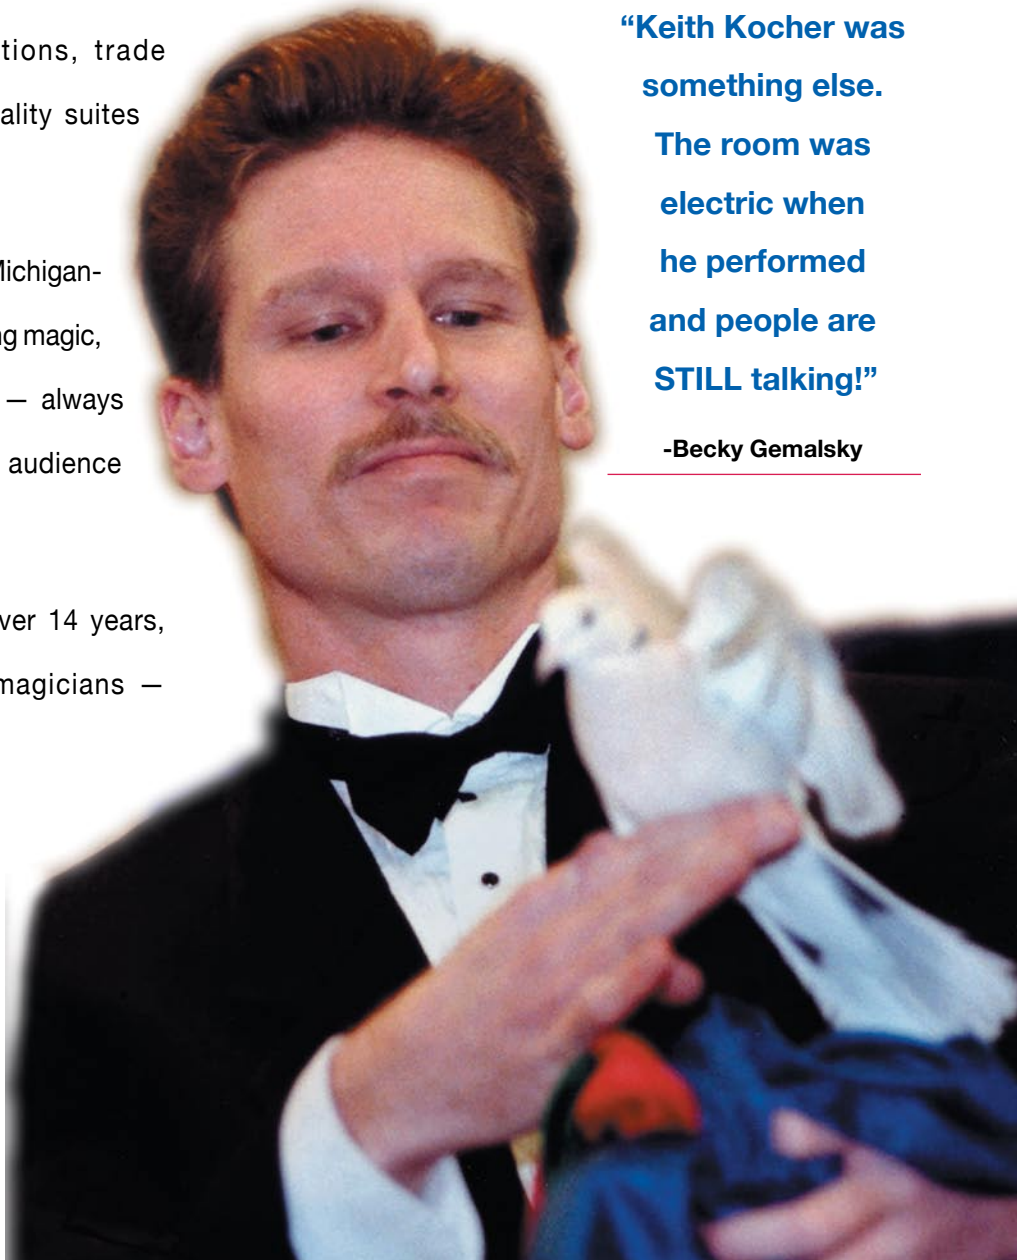

“Keith Kocher was something else. The room was electric when he performed and people are STILL talking!”

-Becky Gemalsky

“Very exciting and entertaining – I was in complete shock over what he could make disappear.

Keith's performance was amazing!”

-Bob Robinson

some quirky audience participation,
and a whole lot of comedy and unbelievably
all rolled into one.”**
